Crew Sign On Sheet

It is the responsibility for ALL Skippers and crew to sign on before EVERY race. Before the Saturday race, the Chief Starter will have the file in the bar area and then will take it to the Start Box. We MUST keep these details not only for COVID purposes but also for a requirement from Australian Sailing.

If skippers do not sign on we may need to go down the path of disqualification!! So do the right thing and sign on before heading out to your boat.

KEELBOAT NEWS

Twilights

Please note that due to the lighter winds, cooler weather and being dark when we start, the Twilights will not start until 17th November.

Opening Day

Well after a long cold, rainy off season, it is finally time to get your boats ready for the upcoming season. So get out there and check your sails etc, clean the bottoms and tee up your crew for the season the starts on Saturday 9th October. This season we are introducing 2 5 race series to start the season. The first one is the "Sydney Stubbs" Series-who as we all know was the first Commodore of CYC. This series starts on Opening Day. Each race counts towards the results at the end of the series as well as also counting towards the Club Consistency Trophy. The second series is the "Alpin Thomson" Series-who was the original owner of the land CYC now sits on. This starts on 13th November. Trophies are being sourced for these 2 series-so be the first to get your name on these trophies.

Thank You

Without our volunteers we would not be able to go out and enjoy the sport that we love.
So it is important to thank these people.

A huge thank you to all the members of the Sailing Committee, including our illustrious lead Todd Whitfield and Dinghy RC Dom Papaluca for all the hard work they put in over the off season to prepare for the 2021/22 season
