Crew Sign On Sheet

It is the responsibility for ALL Skippers and crew to sign on before EVERY race. Before the Saturday race, the Chief Starter will have the file in the bar area and then will take it to the Start Box. We MUST keep these details not only for COVID purposes but also for a requirement from Australian Sailing.

If skippers do not sign on we may need to go down the path of disqualification!! So do the right thing and sign on before heading out to your boat.

KEELBOAT NEWS

Twilights

Well people you missed a fantastic night out on the Swan River for the first Twilight of the season for CYC. There were only 2 boats that ventured out of their pens on Wednesday-Beaujolais and Paprika. When the start team signalled that the race was cancelled, Arthur and I on Beaujolais set off on our usual course down to Miller Buoy and back, chatting with other sailors from other clubs such as East Freo and Freshie. It was a fantastic breeze and it wasn't cold either.

So bottom line is-GET YOURSELVES DOWN ON A WEDNESDAY NIGHT TO ENJOY THE BEAUTIFUL SWAN RIVER IN THE BEST CONDITIONS

So it is important to thank these people.**

Start Box Report-Saturday 20th November by Wilma Poland

With a lovely soft breeze three yachts ventured to the water. Lyetta, Paprika and Beaujolais all started well and with the Burnside buoys in place a westerly start course 6 was underway. Course 6 was chosen as this can be shortened should the breeze die or become gale force. My thanks to Ross Campbell assisted by Rear Commodore Sail Todd Whitfield for putting the Burnside Buoys in place and to Allan Austin ably assisting Ross Campbell with the retrieval of said buoys. Good stuff guys, we all thank you. Claremont and Freshwater bays were quite busy with yachts of various sizes making good use of the lovely weather and provided the start team with something to watch and talk about for a couple of hours. My thanks to Allan Austin, Andrew Caddick, Kevin Kiddey and Ross Campbell for their assistance both in the start box today and on the water for without them my job would have been much, much more difficult.

Cheers

Wilma Poland

DINGHY NEWS

Sunday 21st November

Another great day on the water, 20 boats started. I got to try out a different boat and as always had lots of help and support from the other sailors.

I was waiting for the start, the wind was high and we thought it was going to be a quick race. I got a great start and was up with the front runners as I was going to the top mark. I had a few issues on the top mark as my main sheet got twisted meaning I couldn't bare away.

Once again I almost went for a swim and I lost significant ground. Going down the reaching leg the wind started to drop out and I was now at the back of the fleet. For the next 45 minutes there was no wind on the course and at one point I was actually going backwards. The wind had swung so much that I was now going upwind on the downwind leg.....

I wasn't just last, I was really last. Slowly I managed to make up some time and reached the fleet and was back in it. As a big group of us reached the top mark the wind picked up (and a little help from Dom, thanks mate) & I was off again. I came around the last mark and ended up having a quick finish across the line.

Thanks to my handicap I got first, congratulations to Travis, Sue, Nigel, James, Collin and Mark on their positions.
