Important Notices for Sailors

Sailing Committee Meeting: Monday 6th December

Crew Sign On Sheet

It is the responsibility for ALL Skippers and crew to sign on before EVERY race. Before the Saturday race, the Chief Starter will have the file in the bar area and then will take it to the Start Box. We MUST keep these details not only for COVID purposes but also for a requirement from Australian Sailing.

If skippers do not sign on we may need to go down the path of disqualification!! So do the right thing and sign on before heading out to your boat.

KEELBOAT NEWS

Twilights

Sailors, the weather is beautiful now, so come on down and join us for a Twilight Sail. We have been very lonely, with only Todd on Paprika and us on Beaujolais. Bring down your friends and family, some drinks and nibbles and enjoy the delights of the Swan River at night.

Ann Caddick

Thank Yous

**Without our volunteers we would not be able to go out and enjoy the sport that we love.
So it is important to thank these people.**

Thanks to our Duty starters for Saturday 27th November- Robert Jeffery and Allan Austin for their efforts so we could go sailing.

DINGHY NEWS

As we were on the start line with the wind high, everyone had a feeling it was going to be just enough wind to get around.

As the gun went off a patch of no wind came over some of the fleet, including me. As the others got a good start us 'no winders' were stuck behind the line, plenty of time for a good chat hey Dom. We eventually got to the top mark with the small amount of wind we had. The small amount of wind we had, had a habit of being knocked out of our sails, it was a slow rounding & more of a day for cruising rather than racing, so we thought. The wind finally picks up to a good pace and off I went, I was making my way up the field and was now in a reasonable position. After that it was a pretty uneventful race as the wind picked up and the swung so it was a close reach to the top mark.

We went around the last mark and myself and a few others thought we had another lap to go but we were wrong, whoops! Thanks to James who alerted me to my mistake. I did a quick jibe and went through the line after (much to my disgust) losing a place.

Thankfully I had a decent handicap so it didn't affect my end result & as always it was a great day on the water.

Congratulations to all the sailors.

Thanks
Will
