## Important Notices for Sailors

*Sailing Committee Meeting: Monday 3<sup>rd</sup> January*

### Crew Sign On Sheet

It is the responsibility for ALL Skippers and crew to sign on before EVERY race. Before the Saturday race, the Chief Starter will have the file in the bar area and then will take it to the Start Box. We MUST keep these details not only for COVID purposes but also for a requirement from Australian Sailing. If skippers do not sign on we may need to go down the path of disqualification!! So do the right thing and sign on before heading out to your boat.

## Twilights

Sailors, the weather is beautiful now, so come on down and join us for a Twilight Sail. We have been very lonely, with only Todd on Paprika and us on Beaujolais. Bring down your friends and family, some drinks and nibbles and enjoy the delights of the Swan River at night.

Ann Caddick

# DINGHY NEWS

The wind was perfect for me this week so I thought from the start it was going to be a good day.

As the gun went off I had a great start (finally). My plan was to tack as soon as I could after the start unfortunately I was prevented from doing this for a bit but luckily it didn't affect my race too much.

As I was coming down the first reaching leg I was in 5th position, a far better position than previous weeks and I was able to hold it for a few laps. As the wind started to pick up so did a lot of the fleet and I ended up losing 2 positions.... but it was ok as lucky for me I still have a pretty good handicap.

I ended up crossing the line in the middle of a small group that were near the front. One of my best positions over the line so far this season.

Congratulations to the others sailors too, another great day on the water.
