## Important Notices for Sailors

Sailing Committee Meeting: Monday 4<sup>th</sup> April

### Crew Sign On Sheet

It is the responsibility for ALL Skippers and crew to sign on before EVERY race. Before the Saturday race, the Chief Starter will have the file in the bar area and then will take it to the Start Box. We MUST keep these details not only for COVID purposes but also for a requirement from Australian Sailing.

If skippers do not sign on we may need to go down the path of disqualification!! So do the right thing and sign on before heading out to your boat.

## Commodore's Cup Race-Sunday 20<sup>th</sup> March

Our signature sailing event for the year "The Commodore's Cup" was run-and-done on Sunday 20.03.22.

This was the first year since the early 2010's that we had our Commodore sailing in the event. By all accounts, he had a great time. However, I think he was reminded why he loves power boats – mainly due to the "yes/no/wait" commands, and "not that blue rope, the other blue rope". Also, the damn boats don't go if you aren't pulling on something or letting something go (I'm sure I saw him looking for the throttle at one point)! Even where you sit makes a difference! All jokes aside, it was great to see Darren Chatfield out there on Kiwi Express – a boat that we haven't seen fire a shot in anger in years. Darren obviously made a difference, as they were the best performed CYC boat on the day – taking out the Deep Dene trophy. Oliver Marshall in "Dale II" was not far off the placings, coming in 2<sup>nd</sup> – it was great to see Ollie back with us – some of us remember him as a teenager bringing a horn on the boat with him...so no matter what position he finished in – he would give himself a toot on the horn as if he won (love your work Ollie!). It is great to see his sailing career blossom from CYC, to offshore sailing, to being active in the Red Witch Association and back at CYC again.

We also had our own mosquito fleet of Lasers sailing in the event. They were the biggest fleet on the day! From what I can tell, they gave as good as they got – with the only two protests being lodged being by two Laser sailors against a keelboat. Nice work! 😊 We were worried it was going to be too windy for them on the day, but the forecast didn't come in as heavy as what was predicted until after we were off the water at 4pm.

In addition to CYC boats, there were 20 other keelboats from Perth Flying Squadron YC, Nedlands YC and East Fremantle YC. Unfortunately for us, one of those interlopers stole our cup!!! It was won by East Freo boat "Jolly Roger" - skippered by Brian Rogers.

It was great to see Freshwater Bay filled with sails of all shapes and colours, and the Deepdene Bar and Bovell Green buzzing after the event. Many thanks to our volunteers: Rob Jeffery, Wilma Poland, Andrew Caddick, Sarah Steinhardt, Joan Austin, Allan Austin, plus Jane from EFYC in the start box. On the water, we had Sandy Moyle and Matthew Blackwell on the Lloyd Anderson looking after the keelboats, and Ian Jamieson and Fred on the Whaley dinghy looking after the Lasers.

### Sail Pass

As of the start of 2022 all participants in racing MUST a member of CYC or another yacht club to be able to sail. Skippers are urged to ask their crew members to join the Club as crew members. The other option that CYC has set up is the Australian Sailing "Sail Pass". This will enable the crew member to sail at CYC for a total of 3 races for a cost of \$20. Rear Commodores, Todd Whitfield and Helen Ramsay as well as Dom Papaluca have access to the online entry for the Sail Pass.
